

STATEMENT OF COMMUNITY ENGAGEMENT ACTION PLAN

1. Introduction

The Strategy and Statement of Community Engagement was approved by Council. Its aim is to help the Town Council focus the way in which it engages with local residents and partners.

This action plan details proposed communication and consultation activity for the next twelve months and is for consideration by the committee that deals with communication engagement.

2. Action Plan

- 2.1 Work with partner authorities, in particular Cheshire West and Chester Council
- 2.2 Work with our current partners to ensure clear lines of communication and mutual targets are set and achieved
- 2.3 Work with other partner organisations such as RSPB, Civic Society, Parkgate Society, Chamber of Trade
- 2.4 Make enquiries with 'About My Area' to ensure that they feature and promote the Town Council activities
- 2.5 Ensure that the Town Council corporate identification is maintained at every opportunity and that members remember to wear their name badges at corporate events
- 2.6 Review this Action Plan to highlight any weaknesses that can be rectified and amended.
