Update – current grants

- Little Actors Interact Youth Theatre 18/19 Repertoire

Little Actors were not been selected for the NTC Connections. An appeal on grounds of rural locality was rejected. Little Actors will still perform in Neston and at the Legverhulme Drama Festival. They are looking into options for working with Storyhouse so that the young people will be able to experience a professional theatre.

- Train to Change

I have agreed a short extension to the grant end date as unexpected issues (trainee ill health) have delayed completion of the training.

End of grant accounts

Accounts have been received and approved under delegated authority for:

- Parkgate & Neston URC Community Hall – purchase of a defibrillator (£500).
- Friends of West Vale Park – Family Fun Day 2018 (£1,500). An underspend of £100 was returned.
- Neston Village Fair Committee – Village Fair 2018 (£1,322).
- Little Actors – 2017-18 repertoire (£2,000).
