

Cheshire Day

30.03.2021

Join us virtually on 30th March 2021
as we celebrate the inaugural Cheshire Day

Let's reflect on everything that is great about our county
and share our excitement for everything we can look forward
to in the near future!

How can I get involved?

You can celebrate however you so wish, just please be sure
to use **#CheshireDay** on your social media posts.
For inspiration, why not consider the following?

- Spreading the word of #CheshireDay with your networks
- Sharing what you LOVE about Cheshire (and any new lockdown discoveries)
- Telling us when you are planning to reopen (and what we can look forward to)

The 30th March has been chosen since it was on this date in 1300
that earliest surviving full text of the Cheshire Magna Carta was issued.
